

Lion Services Limited has successfully bagged the project for cleaning Taj Ganj, the vicinity of the iconic Taj Mahal in Agra.

~ After the successful execution of cleanliness campaigns in the city of Prayagraj and Noida, the organization is now all geared for its next project ~

Agra, March 2021: In response to the urgent need of facing the huge challenge of waste management in Tajganj, Lion Services Limited has now taken the noble responsibility of collecting solid waste generated in the two-kilometer radius of Taj Mahal in Agra. The project will commence from 19th April 2021. The indiscriminate dumping of garbage at the current rate without appropriate scientific treatment is imposing a huge requirement of consolidated action hence, necessitating the importance of scientific solid waste management in today's context which LSL will be effectively conducting in the area.

The Agra Nagar Nigam has also given the responsibility of door-to-door waste collection of Tajganj area to Lion Services Limited. The company will not only work on the collection but also the segregation of waste in Tajganj. The course of the project will be of three years and a monthly budget of Rs. 28.94 Lakh has been allocated to it. Under the smart city plan, the organization will be scanning the RFID plate incorporated outside the houses as well.

“For the upkeep of the peripheral stretch of Taj Mahal to upto 2 kms, the Municipal Corporation of Agra has allocated Lion Service Ltd to clean the designated to carry out the door-to-door collection of MSW, cleaning of roads through manual and mechanized resources, cleaning drainage systems, statues and benches. The project will commence from April, 2021.” Commented Mr Nikhil T. Funde, IAS, Municipal Commissioner, Agra.

Lion Services Ltd, with its 52-years of legacy of delivering excellence in the field of municipal services and facilities management, has successfully managed to create a wave of positive impact with its projects in cities like Prayagraj and Noida.

Commenting on the occasion, **Sunil Singh, Chief Executive Officer**, Lion Services Limited, said, “Our vision is one where we all will work together to ensure that the area around Taj Mahal is well maintained and the sanitation management is under control. As a company that has been working for several years in this domain, we truly believe in the ideology of Swachh Survekshan 2021 and would like to align our efforts in the same direction. We are grateful that the

municipal council of the city of Tajganj has bestowed this opportunity onto us and we will make sure that we execute this project as per the expectation.”
